

WEDDINGS AT ORANGE UNITED METHODIST CHURCH
1220 Martin Luther King, Jr. Blvd
Chapel Hill, NC 27514

Congratulations on your upcoming wedding day! This indeed will be one of the most significant days of your life and we are honored to help you plan and celebrate this sacred day. The following information and guidelines are being provided to assist you in having the best Christian wedding possible.

GETTING STARTED

Contact weddings@oumcmail.com to determine whether the date you are planning your wedding is available. Complete and submit the [Wedding Reservation Form](#). This will also connect you with the pastoral staff and wedding coordinator who will follow-up with you regarding next steps.

The pastor will contact you to discuss pre-marital counseling sessions. These sessions will afford the bride and groom the opportunity to plan the wedding ceremony.

OUMC is pleased to provide you with the services of our Wedding Coordinator. She will work with you to coordinate all wedding activities on the church campus to ensure that your wedding is enjoyable and as worry free as possible.

THE WEDDING SERVICE

The service of Christian Marriage is provided for men and women who wish to solemnize their marriage in a service of Christian worship, which includes the proclamation of the word with prayer and praise.

All weddings held at OUMC will be officiated by the appointed ministers of the church staff. Other United Methodist ministers may be invited to participate, provided that such invitations are extended by the senior pastor. Non-United Methodist pastors may participate in the service however, a OUMC pastor will lead the service. Any other arrangements that might require special consideration are to be discussed with the pastor.

We encourage you to consider one of the United Methodist Services of Christian Marriage. If desired, the Sacrament of Holy Communion may be celebrated as part of the Christian marriage service. If Holy Communion is celebrated, in addition to the bride and groom, all wedding guests must be invited to participate in and receive communion. It is Methodist tradition to invite all present to the Lord's table.

Wedding vows are included in the Service of Christian Marriage. The bride and groom may also elect to include self-written vows in the ceremony.

Many couples wish to have a unity candle during their ceremony. If a unity candle is used, the two side candles, representing the husband and wife, are lighted first (often by the mothers) and the center candle, representing the marriage, is lighted by the bride and groom. The side candles are not extinguished because both husband and wife retain their personal identities. Additionally, these three candles are reminders of God's work in us through the Trinity-Father, Son and Holy Spirit.

Furnishings, such as pulpits, altar table, cross, candles and baptismal font are not to be moved from the appointed places unless approved by the Wedding Coordinator. Natural arbors or decorations are not allowed. Flowers for the altar table must never be higher than the cross and must not be placed in the baptismal font. Any additional props, electronic equipment or furnishings to be used during the service must be approved in advance by the Wedding Coordinator.

The sanctuary is decorated for Advent and these decorations will not be removed.

The church prohibits the use of tape, tacks or other materials that could damage furniture or the walls. Florist tape may be used with care. The florist and/or the wedding party must ensure that carpets are protected from candle wax spills. Due to the narrow side aisles, burning candles may not be used on the window ledges.

Real flower petals may not be dropped by flower girls. This can create a fall hazard for the bride, bridal party and guests. Artificial petals are acceptable but should be kept to a minimum as they can create a trip hazard as well.
